

INFORMED CONSENT FORM

We are Tim Lyons, Jacob Santoyo, and Yizhak Cohen and we are your moderators at California State University, Chico. You are invited to participate in a research study about our website design BilliardsTrainer. If you volunteer, you will be asked to look at a website and asked to explain your thought process when using and navigating the website about what confuses you, what you like or dislike, and what you are thinking, which will take about 30 minutes to complete. If you agree to participate, you can stop at any time. This study may expose you to minor risks, but they are not expected to be any greater than risks you experience in daily life. The benefit(s) to this research study can help us refine the BilliardsTrainer website. We intend to not publish or present our results. We are not collecting information that can identify you. We will destroy the data at the end of this semester. If you have any questions about the research, please contact anyone of us at ydcohen@csuchico.edu, tlyons1@csuchico.edu, jmsantoyo@csuchico.edu or Professor Buffardi, kbuffardi@csuchico.edu. Your participation implies that you have read and understand this information and that you may stop at any time without penalty.
